

Advanced Yachts launches latest A80

8 AUGUST 2018 BY MIRANDA BLAZEYBY

Italian yard [Advanced Yachts](#) has launched its latest 24 metre A80 sailing yacht *Jikan*.

Designed by American naval architects [John Reichel and Jim Pugh](#), in collaboration with the Italian design studio [Nauta Design](#), *Jikan* has embarked on her maiden voyage.

She will sail down the Adriatic, past Sicily and the Aeolian Islands, on course for Sardinia.

The yard described the launch of *Jikan* as a "huge event"

The yard described the launch as “a huge event” celebrating the “effort put in by craftsmen, architects, engineers, designers and structural engineers.”

Described as a “stylish maxi yacht”, the boat “combines top class performance with the luxury and comfort of premium design interiors”, according to the yard.

Jikan sports a sea blue hull and features a 35 metre Southern Spars mast with furling boom and carbon rigging, Harken winches and a Reckmann furler.
